About our pricing

VAT

All our prices are without VAT. No VAT will be applicable.

Payment terms

However our payments terms can change with the chosen product, all payments are due upon start of a service or delivery of a product. Everything charged monthly is due upon the start of that month. We are free to stop the delivery when payments are not received timely.

Confidentiality

We will never give any information to anybody unless legally forced. Period.

Extra costs

We will not charge extra costs unless with your approval. So no surprises!

Extra fees

If fees from governments or license giving institutes are changed, we will be free to charge you these extra costs without your approval. If these charges are changed more than economical sense full , we'll give you notice.

subject

All the price are in USD. If a product is interlinked with purchase in other currencies, we charge you this in the exchange rate of the date of purchase. In the above mentioned price list there are no such products.

Delivery and payments

All our services and products are subject to our payment end delivery agreement send to you separately.
